

## 2007 MUSIC BOARD REPORT

1. The first Adjudicator Testing Seminar is scheduled for November 10<sup>th</sup> for Piping Light Music and Bands and Drumming. Testing will take place early in 2008.
2. We ask that it be **STRONGLY** suggested to Games that a closed off area be provided for all solo stations.
3. The Novice Grade for solo snare drumming should be eliminated.
4. Adjudicators and Stewards need to make sure that all solo and band contests stay close to the set time schedule to eliminate conflicts.
5. The Music Board will draft a Solo Player and Band Code of Conduct that will allow discipline including disqualification up to suspension of membership if not adhered to.
6. We would also like to see the massed tenor drum show used at more massed bands.
7. An Adjudicator may not judge a band for 1 season after he has left the band.
8. Re-Grades.
