\* You may **NOT** regrade yourself. All regrades must be submitted to and approved by the music board. Additionally, new applicants at Grade 3 and higher *must file a regrade submission with the music board.*

\* *Registering with the association does **not** sign you up for solo contests at individual games; you must check games' sites for details and registration forms. Solo times for contests are set up and arranged by the individual game coordinators, not MWPBA representatives.*
